

ANNIE THOMAS

Phone: 0883 796 217

Email: bece20-athomas@mubas.ac.mw

Blantyre, MALAWI

PROFESSIONAL PROFILE

Technically skilled Electronics and Computer Engineering fifth year student with good understanding of network installation, fibre optics, and systems configuration. Demonstrates strong analytical and problem-solving abilities, complemented by practical exposure in telecommunications environments with a commitment to continuous learning and professional growth.

CAREER OBJECTIVE

To secure an entry-level engineering position where I can apply my academic knowledge and practical skills, while gaining industry experience, contribute to organizational goals, and developing into a competent engineering professional.

CORE TECHNICAL COMPETENCIES

- Router and ONU Configuration
- FTTx Network Installation
- VPN Setup and Troubleshooting
- Fiber Optic Splicing
- Network Monitoring (Huawei Tools)
- Electrical Installations and Maintenance
- Database Systems Fundamentals
- Troubleshooting connectivity issues
- Electrical repair (extensions and basic systems)
- Customer support and technical assistance

WORK EXPERIENCE

Network Technician Intern

ESCOM – Optic Fiber Communication: July to October 2025

- Configured routers and ONU devices for customer installations
- Installed and maintained FTTx network connections
- Performed fibre optic splicing and cable handling

- Set up and supported VPN connections
- Monitored network performance using Huawei NOC tools
- Diagnosed and resolved network faults efficiently

EDUCATION

Bachelor of Electronics and Computer Engineering (Honours)

Malawi University of Business and Applied Sciences (MUBAS)

Expected Graduation: 2027

Relevant Coursework:

- Electrical Machines I & II
- Electrical Installation
- Engineering Materials
- Software Engineering
- Data Communication Systems
- Database Systems Design

Malawi School Certificate of Education (MSCE)

Nkhotakota Secondary School: 2019

PERSONAL ATTRIBUTES

- Strong sense of responsibility and reliability
- Effective communication and teamwork skills
- Good analytical and decision-making ability
- Excellent time management and punctuality

HOBBIES AND INTERESTS

- Cooking and exploring new recipes
- Sports (football, netball, volleyball)
- Gaming and fitness activities

PERSONAL DETAILS

Date of Birth: 17 November 2001

Gender: Female

Marital Status: Single

Nationality: Malawian
